

Ninth edition program

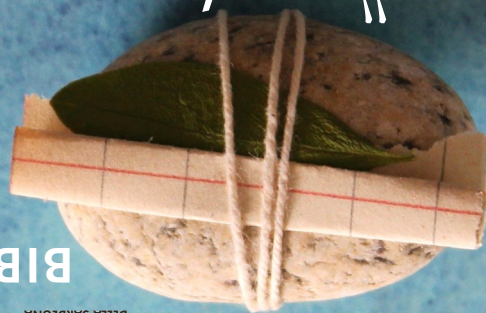

"on the train of thoughts"

LITERARY SHOW

present

ASSESSORATO ALLA CULTURA

BIBLIOTECA CIVICA SEMPLICIANA

START AT 21:00 - FREE ENTRANCE (RESERVATION REQUIRED)

The image of the show, a leaf and a piece of paper tied to a stone, recalls the job of the writer, oriented to balance imagination and concreteness, weight and lightness.

The train of thoughts that joins who is writing and who is reading can come to life in several ways, a literature show is one of them, but the real meeting occurs between the pages, in an indefinite point that changes everytime.
